Membership Benefits

- The provision of a professional network for members to exchange information and ideas relating to all things welding
- Subscription to the E-News Bulletin “WeldED”
- The opportunity to join a national organisation whose main objectives are to:
 - Promote the advancement of the Australian welding and fabrication industry
 - Promote its members and their services to others in the welding industry
 - Create a network of people who are passionate about and want to aid the Australian welding and fabrication industry
 - Endorsement of Australian welding and inspection qualifications
- Encourage participation in working groups to further develop your knowledge in your area of specialisation and aid other members
